**Conference Presentation:**

Tuesday, September 21st

**Time:** 2:05 PM

Jessica Brumley is an Assistant Professor at East Central University in Ada, Oklahoma. She received a Ph.D. in Environmental Science from the University of Oklahoma. She was a National Research Council Postdoctoral Fellow at the Environmental Protection Agency, researching green infrastructure for stormwater management. Her work focuses on soil health impacts on water quality and modeling water quality and management through ecosystem services. She currently serves as the Society of Wetland Scientist's South Central Chapter's secretary.
